You choose the frequency, size and style of your flowers and we'll take care of the rest! During the growing season your flowers will come directly from our tiny farm which means you will get seasonally-inspired blooms that are the most fresh, lusciously fragrant, and have the smallest carbon footprint. We may supplement with other locally-grown blooms from our fellow growers, as needed. In the off season we work closely with our wholesaler to source seasonal and US-grown blooms wherever possible. All prices include delivery within 5 miles of our Whittier microfarm & design studio. Subscription deliveries occur on Wednesdays unless the Special Occasion frequency is selected. For subscriptions between 5-10 miles, a fee of \$5 will be added per delivery. Please contact us directly if the subscription address is beyond 10 miles.

#### FREQUENCY:

- For weekly and biweekly subscriptions, the minimum number of deliveries is 4.
- For monthly subscriptions, the minimum number of deliveries is 3; choose from 3, 6, 9, or 12 months.
- For special occasion subscriptions, the minimum number of deliveries is 2. Just give us the dates and we'll deliver on or near them.
